ORDER

Per Dr. V. K. Subburaj (Member Technical)

1. This is an appeal which has been preferred u/s 252 of the Companies Act, 2013 by the Appellant Company in relation to an order of striking off the name of the Appellant Company passed by the Respondent under the provisions of Section 248 of the Companies Act, 2013. Learned

3. We have considered the plea of the Appellant and the representations of RoC. It is evident from the plea of the Appellant that it admits the default and questions the due process undertaken by the RoC in striking off the name of the Appellant Company as envisaged under Section 248 of the Companies Act, 2013. However, the Appellant is seeking restoration of its name in the register as maintained by RoC relying on the ground that the Appellant as of date is in business and has revenue from operations and in the circumstances, it is just that the name of the Company should be restored on the register of RoC as maintained by the Respondent. In order to sustain the said plea, the Appellant has placed before us the following documents:

- i. True Copies of Financial Statements and Balance Sheet for the Financial Year ending 31st March, 2020 with details of Total Revenue as Rs. 2,78,945/-.
- ii. Copy of the land allotment dated 21.08.2007 in the name of the appellant company in Industrial Area Buxar placed on record.
- iii. Consent Letter received from the shareholders for restoration of name of the company maintained by the appellant on record. Further No Objection Certificate received from the creditors placed on record.

4. A perusal of the documents referred to in the paragraph above, reflects that the appellant has business operations

which necessitate restoration of its name in the Register of Companies. The assumption of RoC that the company was not in operation was merely on grounds of non-filing of the Statutory Returns. The Act itself provides for redressal of these defaults. A step as stringent as what has been taken at least requires an opportunity to the appellant to take remedial measures. Merely to disallow restoration on grounds of its failure to file annual returns would neither be just nor equitable. As per several decisions of various Courts it should only be in exceptional circumstances that Courts should refuse restoration where the company has been struck off for its failure to file annual return as that would be excessive or inappropriate penalty for that oversight.

5. Accordingly, the appeal is allowed subject to payment of costs of Rs. 50,000/- to the Prime Minister Care Fund. The restoration of the Appellant Company's name in the Register will be subject to their filing all outstanding documents for the defaulting years as required by law and completion of all formalities, including payment of any late fee or other charges which are leviable by the Respondent for the late filing of statutory returns. The name of the Appellant Company shall then stand restored in the Register of the RoC, as if the name of the company had not been struck off.

6. The direction for freezing the bank account(s) of the Appellant Company, if on this ground, shall consequently be also set aside immediately to enable the company to carry out its business operation. Compliance of this order for restoration shall be made by the Respondent with all its consequential effects within one week of compliance by the Appellant.

7. Let the copy of the order be served to the parties.
