### **Analysis and Findings**

- 19.** We have heard Ld. Counsels for the applicant as well as the Ld. Counsel for the Respondent and perused the averments made in the application, counter affidavit and rejoinder. The relevant documents annexed with the submissions have also been examined.
- 20.** We have perused the proof of purchase orders, invoices of Operational Creditor and interest calculation sheet produced by the Operational Creditor. We have also perused the copy of Settlement Agreement executed between the both parties on 09.11.2021. While the Applicant has prayed for initiation of CIRP against the Corporate Debtor, the Respondent has prayed for dismissal of the present Application on ground that the unpaid installment to the Applicant as per the said Settlement agreement is not a debt as per the provision defined under section 5(21) of the IBC.
- 21.** We find that the applicant had filed a Company Petition (IB/518/ND/2021) on 27.03.2021 claiming an outstanding Operational Debt amounting Rs.2,61,63,393/- which consists of Rs.1,92,33,225/- as principal debt, Rs. 16,93,409/- as interest at the rate of 18% p.a. and Rs. 10,57,145/- as GST. The Petitioner seeking withdrawal of the (C.P.(IB)/518/ND/2021) on the basis of the settlement agreement dated 09.11.2021 which was allowed vide order dated 02.12.2021. The order dated 02.12.2021 is reproduced herein for ready reference:-

**“(C.P.(IB)/518/ND/2021:**

*Mr. Animesh Kumar has appeared on behalf of the petitioner. Ms. Nisha Saha has appeared on behalf of respondent. Both the parties submits that the matter has already settled between the parties, so, the petitioner wishes to withdraw the application. Considering the submissions made on behalf of the petitioner's counsel, we permit the petitioner to withdraw the application. Accordingly, the present Company Petition Bearing No. IB-518/ND/2021 is dismissed as withdrawn.”*

- 22.** On mere perusal of the order dated 02.12.2021, it is evident that the (C.P.(IB)/518/ND/2021) was allowed to be withdrawn on the submissions of the applicant only and further, no liberty was granted by this Adjudicating Authority to restore the application. From the documents on records, it is pertinent to note that pursuant to the settlement agreement dated 09.11.2021 entered between the parties, the parties had agreed to settle the outstanding operational debt amounting Rs. 2,61,63,393 at a settlement amount of Rs.1,80,00,000 only.
- 23.** That in Part IV of the Application it is submitted that the Demand Notice under section 8 of the IBC was issued against the Corporate Debtor by the Operational Creditor, based on the default equated of repayment as per the settlement agreement dated 09 November, 2021, for the debt amounting to Rs. 1,80,00,000/- 17.05.2022 vide speed post.
- 24.** That, as per the settlement agreement and in contradiction to the discharge of legally admitted liabilities of the Corporate Debtor, the Corporate Debtor issued multiple cheques that were dishonored. Furthermore, the date of default, i.e., 28.04.2022, in the payment of

Rs 2,80,74,618 occurred when the Settlement Agreement dated 09.11.2021 failed by the Corporate Debtor.

- 25.** From perusal of above admitted fact, it is observed that the Applicant filed the instant Application based on the failure of the Settlement Agreement dated 09.11.2021 on the part of the Corporate Debtor.
- 26.** The moment the parties entered into a settlement agreement dated 09.11.2021, the nature of the debt being operational debt defined under Section 5(21) of the Code, 2016 is gone as now the debt is not owed for the supply of goods or rendering of services. The amount outstanding pursuant to the settlement agreement is only a settlement amount which can merely be a debt as defined under Section 3(11) of the Code, 2016 but in no circumstances can be an operational debt as it has lost its substratum of operational debt and is only a debt pursuant to the settlement between the parties.
- 27.** The Hon'ble NCLAT in its order dated 17.01.2023 in **Company Appeal (AT)(Insolvency)No.36 of 2023 case titled Permal Wallace Private Limited versus Narbada Forest Industries Private Limited** while rejecting an Appeal filed against the Order dated 03.11.2022 passed by the Adjudicating Authority (National Company Law Tribunal, Indore Bench) by which Application filed under Section 9 of the IBC, 2016 for some default in payment of the interest amount due pursuant to a settlement agreement was rejected by the Adjudicating Authority. Hon'ble NCLAT held that Adjudicating Authority did not commit any error in rejecting Section 9 Application. It has been laid down by the Hon'ble Supreme Court in **Swiss Ribbon Pvt. Ltd. Vs. Union of India**, IBC is not a recovery proceeding and the Application which has been filed by the appellant in the present case is only the application for

recovery of balance amount of the interest and application was not filed for resolution of any insolvency of the Corporate Debtor.

- 28.** It is no more res-integra that IBC is not a recovery proceeding where because the money or part of it has not come, the party may repeatedly come to the Adjudicating Authority for the recovery of the amount. **The Hon'ble Supreme Court in citation M/s. Invent Asset Securitisation and Reconstruction Private Limited v. M/s. Girnar Fibres Limited [Civil Appeal No. 3033/2022]** observed that *time and again, it has been expressed and explained by this Court that the provisions of the Code are essentially intended to bring the corporate debtor to its feet and are not of money recovery proceedings as such. The intent of the appellant had only been to invoke the provisions of the Code so as to enforce recovery against the corporate debtor.*
- 29.** Having regard to the conspectus of all relevant facts and discussions and the judgments cited supra, we are of the view that pursuant to the withdrawal of the (C.P.(IB)/518/ND/2021) on the strength of the settlement agreement dated 09.11.2021, the outstanding debt as claimed in the company application has lost its substratum of being operational debt as defined under Section 5(21) of the Code, 2016.
- 30.** Accordingly, the present application C.P.(IB)/759/ND/2022 stands dismissed. No orders to cost.
