I belong to 1984 Batch of I.R.S. (Income Tax). Having worked for 36 years in Income Tax Department, performing myriad roles as an administrator and Tax Collector, my core competence was Taxation of Cross Border Transactions and cases involving Tax Havens. As Director (finance) of MSEB, I successfully dealt with Corporate Debt Restructuring of the Company. My tenure of 36 years working for the Government of India has provided me experience in administrative, vigilance and judicial matters. Under the Advanced Mid-Career training, I attended training at IIM Bangalore and University of Wharton, Pennsylvania, USA.
