Date: 26.02.2024

CIRCULAR

Despite repeated reminders to all the Ld. Advocates and other Practitioners, before NCLT Hyderabad Bench, to file separate Interlocutory Applications whenever interim reliefs are prayed in any Company Petition, more particularly in matters relating to the Companies Act, the same is not followed.

Rule 32 of NCLT Rules, 2016 is referred hereunder: -

Every Interlocutory application for stay, direction, condonation of delay, exemption from production of copy of order appealed against or extension of time prayed for in pending matters shall be in prescribed form and the requirements prescribed in that behalf shall be complied with by the applicant, besides filing an affidavit supporting the application.

It is not out of place to state that, in the absence of separate Interlocutory Applications, for each of the interim reliefs prayed, the Bench is finding it very difficult in “culling out” the required/necessary pleadings, from the Company Petition and the counter filed, for the purpose of considering the interim reliefs.

Therefore, all the Ld. Advocates and other Practitioners are once again informed that in any matter where interim reliefs are prayed, each of such interim relief shall be prayed by a separate Interlocutory Applications, lest the prayer for the interim relief will not be considered.
