NOTICE

In continuation to the notice dated 09.05.2025. regarding the common scrutiny defects noticed while e-filing in the NCLT portal, it is noticed that when matters are refiled, many stake holders fail to affix the e- signature again and also to submit the revised bookmarks. It is informed that the e- signature should be there in the revised filing also and that since compliance will mostly result in the changing of page numbers, a revised book marking should also be submitted along with the refiling documents.
