ADMINISTRATIVE CIRCULAR

Subject: Technical issues with NCLT DMS Reg.

All the Advocates, litigants and other stakeholders are apprised that reports have been received from Registry Officials on various dates and 01.04.2025 from across NCLT Benches that the Document Management System (DMS) which is the system used by NCLT Members to conduct the online proceedings have slowed down due to technical issues, leading to interruptions in the proceedings before the NCLT Benches.

NCLT to rectify the same has requested National Informatics Centre (NIC) to do the needful. There is likelihood of interruptions in the Hybrid hearing. The inconvenience to the stakeholders is highly regretted.
