PUBLIC NOTICE

Subject: Inconvenience caused due to unexpected power backup failure on 18.05.2026.

It is hereby informed to all litigants, advocates, and stakeholders that the National Company Law Tribunal (NCLT), New Delhi, experienced an unexpected disruption in its power supply today, May 18, 2026.

While the main external electricity supply grid failed, the dedicated power backup system managed by the Central Public Works Department (CPWD) also did not function seamlessly. As a result, there was a temporary suspension of electricity across the courtrooms and registry, leading to unavoidable disruption of court proceedings.

The NCLT administration has taken serious note of the incident. Despite regular and timely financial disbursements made to the CPWD for ensuring uninterrupted power backup and maintenance, this technical failure occurred on their part. A formal and strict communication has already been issued to the senior officials of the CPWD to immediately investigate the lapse and ensure that foolproof backup measures are put in place going forward.

The Tribunal regrets the inconvenience caused to lawyers, litigants, and stakeholders. The circumstances leading to this incident were beyond the control of the NCLT administration.

(Prem Prakash)
Secretary, NCLT
