Public Notice

Date: - 27.07.2026

As per information received from NIC today at 11:45 AM, the Ministry of Corporate Affairs (MCA) has recently migrated its APIs which has resulted in an issue in the e-Filing portal. Currently, users may face difficulties while filing cases, as the automatic fetching of company details using the **CIN Number** or **Company Name** is not functioning as expected. The NIC team is already working resolving the technical issue with the e-Filing portal and is making all efforts to resolve the issue at the earliest.

Until the issue is resolved, users are requested to select the "**Others**" option while adding Petitioner and Respondent details and manually enter the company information.
